Spa Experience*

NEUROSCIENCE

The brand presents an exhaustive study carried out in collaboration with Starlab, a research institute specializing in neuroscience, and the University of Murcia, the European University for Well-Being.

The study demonstrates that Natura Bissé spa rituals improve people's well-being by almost 70%, in addition to transforming their skin and boosting self-esteem. 70%

ABOUT NATURA BISSÉ

Founded in **Barcelona in 1979**, Natura Bissé is a cosmetics company led today by the second generation of the **Fisas family** with a lot of passion and an absolute commitment to innovation.

The firm develops products and spa & wellness experiences to respond to the needs of your skin at every stage of life. Our constant search for excellence has led us to win numerous awards, including being chosen as **"Best Spa Brand in the World"** at the World Spa Awards for four consecutive years, 2018-2021.
